The basic requirements for Commercial Exports and Imports
The follow are key steps you need to consider when importing to the GB from Northern Ireland or Europe. Without following these steps you will not be able to import your product. Registration takes time so please allow for this to possibly delay your import.

What do I need to consider?	Why?	How do I get more information?
Do you have an EORI number?	<p>From 1 January 2021 you'll need an EORI number to move goods between the UK and the EU. If you do not have one, you may have increased costs and delays.</p> <p>You'll not usually need an EORI number if you only provide services.</p> <p>DON'T DELAY – applications can take up to a week.</p> <p>If you already have an EORI - From 1 January 2021 you'll need an EORI number that starts with GB to move goods to or from the UK.</p>	Further details and how to apply: https://www.gov.uk/eori
Do you have an XI-EORI number for Northern Ireland trade?	<p>From 1 January 2021 traders will need an Economic Operators Registration and Identification (EORI) number that starts with XI to:</p> <ul style="list-style-type: none"> • move goods between Northern Ireland and non-EU countries • move goods from Northern Ireland to Great Britain <p>make a customs declaration or get a customs decision in Northern Ireland</p>	To get an EORI number that starts with XI, you must already have an EORI number that starts with GB. If you do not have one, apply for an EORI number that starts with GB as soon as possible.
Are you aware of the Commodity Codes system for customs declarations?	You'll need a commodity code to make your customs declaration when you bring goods in or send goods out of the UK or EU. This includes goods sent to you from abroad.	To find the right commodity code to classify your goods and check duty rates, please follow this link: https://www.gov.uk/guidance/finding-commodity-codes-for-imports-or-exports
Are you exporting goods to Northern Ireland? Have registered for the Trader Support Service (TSS)?	If you are a trader or carrier that moves goods between Great Britain and Northern Ireland, you need to register for the Trader Support Service, otherwise you will not be able to move goods between the regions.	The Trader Support Service will raise declarations on your behalf for free. Training and support is available now. Register now to make sure you can continue to move goods in and out of Northern Ireland after 1 January. It only takes a few minutes. Do not delay. Register your company as a trader or carrier
